

PETROL INJECTOR CLEANER

TECHNICAL DATA SHEET

DESCRIPTION

Petrol Injector Cleaner dissolves high temperature petrol deposits on the injector tip as well as valves keeping them clean while providing lubrication Safe to use with all fuel sytem components including high pressure direct injection, catalytic converters and Lambda /O 2 sensors.

KEY BENEFITS

- Strong solvent action removes injector deposits.
- Restores spray pattern for efficient fuel delivery and atomization to facilitate complete combustion.
- Reduces exhaust smoke caused by incomplete fuel combustion.
- Removes water from fuel.

APPLICATIONS

- For petrol injection engines to maintain and clean injectors as well as entire fuel system.
- Rough idling.
- Slow acceleration response.
- Poor fuel economy.

DIRECTIONS FOR USE

- Add entire bottle to petrol tank.
- Use every 5000km or as required.
- Treats up to 70L of petrol.

PACK SIZES

12 x 375ml

PHYSICAL SPECIFICATIONS

Physical State	Liquid
Density @20°C	0. 810Kg/dm3
Colour	Blue
Flash point	13°C
Odour	Characteristic

HEALTH & SAFETY DATA

Material Safety Data Sheets are available from the company.

SHELF LIFE

Whilst Fast products are formulated to have as long a shelf life as possible, other factors do influence their actual useful life. Handling and storage conditions can cause packaging deterioration which could render the product unfit for further use. From time to time products are superseded by upgraded products and/or changed formulations and older products will no longer have the same performance level or be compatible with latest technology being introduced into equipment. It is therefore the responsibility of the purchaser of the product to ensure proper storage conditions, stock rotation and timely usage to prevent products from becoming unsuitable for use.

EXPIRY DATE

3 Years from manufacture date.

DISCLAIMER

The results displayed in this data sheet have been acquired using the latest revision of the methods indicated unless stated otherwise and may not be reproduced (except in full) without the written approval of Fast Racing Fuels. This test report is computer generated so a signature/stamp is not necessary.

Performance

Formulated for specific applications to ensure optimum performance.

Consistency

All our products offer industry leading levels of consistency and repeatability.

Quality

We pride ourselves on offering the highest standard of quality in each of our products.
