

VALVE GUARD

TECHNICAL DATA SHEET

DESCRIPTION

Valve Guard is an emission free, environmentally friendly, lead substitute solution to protect the older vehicle when running on unleaded petrol. Valve Guard will prevent valve seat recession, free sticky valves and lubricate the upper cylinder improving general performance. Valve Guard is compatible with normally aspirated as well as turbo charged vehicles and will not affect catalytic converters.

KEY BENEFITS

- Prevents valve seat recession.
- Frees sticky valves.
- Lubricates upper cylinder.

APPLICATIONS

For older petrol engines intended to run on leaded petrol.

DIRECTIONS FOR USE

- Add Lead Replacement Solution to each tank of unleaded petrol when filling up.
- 200ml treats 50 Litres unleaded petrol

PACK SIZES

12 x 200ml

PHYSICAL SPECIFICATIONS

Odour:	Characteristic
Appearance:	Indigo Blue Liquid

HEALTH & SAFETY DATA

Material Safety Data Sheets are available from the company.

SHELF LIFE

Whilst Fast products are formulated to have as long a shelf life as possible, other factors do influence their actual useful life. Handling and storage conditions can cause packaging deterioration which could render the product unfit for further use. From time to time products are superseded by upgraded products and/or changed formulations and older products will no longer have the same performance

level or be compatible with latest technology being introduced into equipment. It is therefore the responsibility of the purchaser of the product to ensure proper storage conditions, stock rotation and timely usage to prevent products from becoming unsuitable for use.

EXPIRY DATE

3 Years from manufacture date.

DISCLAIMER

The results displayed in this data sheet have been acquired using the latest revision of the methods indicated unless stated otherwise and may not be reproduced (except in full) without the written approval of Fast Racing Fuels. This test report is computer generated so a signature/stamp is not necessary.

Performance

Formulated for specific applications to ensure optimum performance.

Consistency

All our products offer industry leading levels of consistency and repeatability.

Quality

We pride ourselves on offering the highest standard of quality in each of our products.
